They’re not just Door + Wall protection products.

They’re ding diminishers.

They’re like bouncers, but for walls and doors. They’re busy preventing constant damage while keeping up appearances all to preserve the look of building interiors. It’s a tough job, but we’re the ones who make it happen.
When it comes to wall protection, we believe in giving you options for material choices. We’ll never sacrifice durability. Our products are designed to stand the test of time.

Our products may look high maintenance ... but don’t let good looks fool you. Our products are long-lasting and easy to clean, saving you time and money on maintenance and repairs.

We’re always adding new designs, colors and finishes to our product portfolio. Visit our Design Center on inpro.com for new ideas and inspiration to refresh your space!
