# the story

The AC Hotel + Hyatt House in Lansing, Michigan, is a new five-story, 190,222 SF dual-brand hotel complex. Offering 295 keys, the project features a 156-key AC Hotel with a restaurant and lounge, and a 139-key Hyatt House with apartment-style kitchens and an H-bar. Both brands provide meeting rooms, a fitness center, and an indoor pool. With a focus on enhancing functionality and aesthetics, the hotel management partnered with Inpro to create an inviting atmosphere while preserving the building's integrity.

---

The innovative architectural products provided essential protection to the AC Hotel + Hyatt House's interior surfaces and contributed to the hotels' overall aesthetic appeal. Guests can now enjoy a heightened sense of comfort and security, knowing that the interior spaces are equipped with durable and stylish architectural elements. From protecting walls and corners to enhancing the overall guest experience, Inpro's solutions have helped to create a welcoming and memorable environment for visitors to Lansing.

## obsessed with protecting buildings®

How they look. How they function.  
And how they protect the health and safety  
of the people who use them every day.

That's why we make hundreds of architectural  
products all under one roof and work tirelessly to  
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't  
have it any other way.
