## Project Profile

Architect: Somerville Architects | Engineers  
Green Bay, Wisconsin

Contractor: Miron Construction  
Wausau, Wisconsin

## The Project

A renovation to expand the hospital's Maternity Department and build a Level II Neonatal Intensive Care Unit (NICU) on the third floor of the hospital. Bellin Health's goal was to bring a unique, state-of-the-art NICU to the Northeastern Wisconsin region.

## **obsessed with protecting buildings<sup>®</sup>**

How they look. How they function.  
And how they protect the health and safety  
of the people who use them every day.

That's why we make hundreds of architectural  
products all under one roof and work tirelessly to  
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't  
have it any other way.
