inpro[®]

the story

At Inpro, we were proud to partner with PAM Health Rehabilitation Hospital of Wausau, a beacon of excellence in patient care and rehabilitation. Located in the Wausau area, this state-of-the-art facility is not just a sight to behold but is also outfitted with our cutting-edge Inpro products. Our partnership with PAM Health is centered on incorporating sophisticated wall protection solutions to establish a clean environment crucial for patient healing.

the project

Architect: E4H Environments for Health

Contractor: Huntzinger

Optitrac® Cubicle Track

the results

By implementing Inpro's architectural solutions, PAM Health Rehabilitation Hospital of Wausau has undergone a significant transformation. The installation of numerous Inpro products, including a state-of-the-art cubicle track system and comprehensive wall protection elements like handrails, has elevated the facility's aesthetics and functionality. This enhancement not only ensures a safer, more navigable environment for patients but also contributes to an overall ambiance that promotes wellness and healing.

obsessed with protecting buildings®

How they look. How they function.
And how they protect the health and safety
of the people who use them every day.

That's why we make hundreds of architectural
products all under one roof and work tirelessly to
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't
have it any other way.
