the **story**

The Renown Regional Medical Center, part of Renown Health in Reno, Nevada, stands out as a top-tier healthcare facility offering level II trauma services. Hosting the renowned Renown Children's Hospital, this institution has been a cornerstone of community healthcare since 1876. The facility chose to partner with Inpro for cutting-edge wall protection solutions, ensuring a pristine environment for patient care and showcasing a dedication to excellence in healthcare infrastructure.

the project

Architect Firm: Perkins and Will

Aspex® Printed Wall Protection

Palladium® Rigid Sheet Wall Protection

the results

By implementing Inpro's architectural solutions, Renown Regional Medical Center has established a nurturing and child-friendly atmosphere for its young patients. Inpro supplied Aspex® Printed Wall Protection featuring forest animals and scenic nature graphics. Additionally, Inpro offered Palladium® Rigid Sheet Wall Protection to elevate the building's aesthetics and protect against damage. These design-forward solutions offer essential protection while also serving as durable and visually appealing features in the facility.

obsessed with protecting buildings®

How they look. How they function.
And how they protect the health and safety
of the people who use them every day.

That's why we make hundreds of architectural
products all under one roof and work tirelessly to
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't
have it any other way.
