## Project Profile

Architect: ACAI Associates, Inc.

Contractor: Skanska USA

Installer: Lotspeich Co.

## The Project

A \$52 million, 102,000 sq. ft. multiyear major renovation, the first since the facility opened 33 years ago. The expected completion will be in 2019. The specific renovation profiled here is for the 7th and 8th floor South Tower, and an upgrade to the employee parking structure.

## **obsessed with protecting buildings®**

How they look. How they function.  
And how they protect the health and safety  
of the people who use them every day.

That's why we make hundreds of architectural  
products all under one roof and work tirelessly to  
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't  
have it any other way.
