the **story**

Located in the heart of Stevens Point, Wisconsin, Home2 Suites by Hilton® stands out as a modern extended-stay hotel tailored to meet the needs of travelers. With various guest room designs and contemporary accommodations, the hotel aims to provide a welcoming, comfortable, and memorable experience. Beyond just being a place to stay, Home2 Suites by Hilton® strives to create a space that serves as a home away from home, offering a variety of amenities to make each guest's stay exceptional.

Palladium® 3D Trim
Corner Guards

Corner Guards

Palladium® 3D Trim

the **results**

Through the integration of Palladium® 3D Trim and Inpro Corner Guards, the Home2 Suites by Hilton® enhanced the interior design and functionality of their hotel. The Palladium® 3D Trim brought an added sense of depth and dimension to the lobby and front desk area, creating a striking yet welcoming focal point for guests upon arrival. Meanwhile, the corner guards, placed strategically throughout the property, enhance durability and maintain a polished aesthetic. These thoughtful enhancements not only elevated the visual appeal of the hotel but also contributed to a superior guest experience by ensuring a blend of functionality and long-term resilience.

obsessed with protecting buildings®

How they look. How they function.
And how they protect the health and safety
of the people who use them every day.

That's why we make hundreds of architectural
products all under one roof and work tirelessly to
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't
have it any other way.
