Project Profile

Architect: STOA Architects
Pensacola, FL

Contractor: Whitesell-Green
Pensacola, FL

Installer: Browns Millwork
Pleasant View, TN

The Project

This project involved a total interior demolition and renovation of the 37000 Block Rolling Pin Barracks complex, which houses 500 soldiers inside 5 three-story buildings. This base complex houses approximately 65,000 soldiers and family members, and is considered one of, if not the largest military installations in the world.

Inpro® Products Used

Washroom Systems

Solid Surface Wall Cladding and Shower Walls in the Shadow color were installed in all barracks bathrooms.

obsessed with protecting buildings[®]

How they look. How they function.
And how they protect the health and safety
of the people who use them every day.

That's why we make hundreds of architectural
products all under one roof and work tirelessly to
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't
have it any other way.
