made of Solid Surface in Sandbar  
were installed, including:

- Custom Shower Bases
- Shower Walls + Trim
- Toilet Partitions
- Soap Shelves

## **obsessed with protecting buildings<sup>®</sup>**

How they look. How they function.  
And how they protect the health and safety  
of the people who use them every day.

That's why we make hundreds of architectural  
products all under one roof and work tirelessly to  
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't  
have it any other way.
