Optitrac® Cubicle Curtain Track with ligature-resistant* pop out carriers

*These products do not guarantee patient safety.

obsessed with protecting buildings[®]

How they look. How they function.
And how they protect the health and safety
of the people who use them every day.

That's why we make hundreds of architectural
products all under one roof and work tirelessly to
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't
have it any other way.
