the **story**

Milwaukee, once a frontier outpost, had a destiny to emerge as an international fur-trading empire. Celebrating the rich culture of this evolving city, The Trade, an Autograph Collection® Hotel by Marriott, pays homage to the hardworking history and modern spirit of today's Milwaukee and the trading that made it the beautiful, diverse city it is today. As the official hotel of the Deer District located in the historic heart of downtown, The Trade Hotel became a symbol of the city's vibrant presence and historical legacy. To ensure the highest standards of quality and aesthetics, Inpro was chosen to help outfit the hotel with our award-winning wall protection products.
