## Project Profile

Architect: Kirksey Architecture  
Houston, Texas

Contractor: SpawGlass Construction  
Houston, Texas

## The Project

A massive renovation of nine, four-level dormitories for the Corps of Cadets. The dorms, located on the Quad, were originally built in the 1930s. The buildings are approximately 34,000 sq. ft. each, and house about 210 cadets. The project updated doors, windows, student bathrooms, HVAC, security and lighting systems. In addition two new Leadership Learning Centers were added.

## Inpro® Products Used

### Washroom Systems

[VIEW PRODUCTS](#)

Extensive installation of Solid Surface washroom products, including:

- Custom and standard molded shower bases
- Shower walls and trim
- Shower partitions
- Shower caddies

## **obsessed with protecting buildings®**

How they look. How they function.  
And how they protect the health and safety  
of the people who use them every day.

That's why we make hundreds of architectural  
products all under one roof and work tirelessly to  
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't  
have it any other way.
