Project Profile

Installer: Provider Services
Foundations Health Solutions

The Project

Johnstown Pointe is a new \$5M, 80-room skilled nursing facility and part of the Foundations Health Solutions network. For this project, the Foundations' installation team did the interiors buildout.

Inpro® Products Used

Palladium® 3D Trim System

In Feather and American Walnut Woodgrain finishes.

obsessed with protecting buildings®

How they look. How they function.
And how they protect the health and safety
of the people who use them every day.

That's why we make hundreds of architectural
products all under one roof and work tirelessly to
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't
have it any other way.
