Project Profile

Contractor: JP Cullen Madison, Wisconsin

Interior Designer/
Specifier: Tracie Dunham, NCIDQ
Facility Interior Designer, VA Madison

The Project

Ongoing, multi-phased renovation projects. The current phase of the 3B EN area covers 10,000 sq. ft. - including 16 patient rooms and corridors - with a budget of \$5.6M. Previous projects included elevator interior renovations and the installation of door and wall protection products.

obsessed with protecting buildings®

How they look. How they function.
And how they protect the health and safety
of the people who use them every day.

That's why we make hundreds of architectural
products all under one roof and work tirelessly to
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't
have it any other way.
