## Project Profile

Architect: HNTB

Contractor: Turner Construction

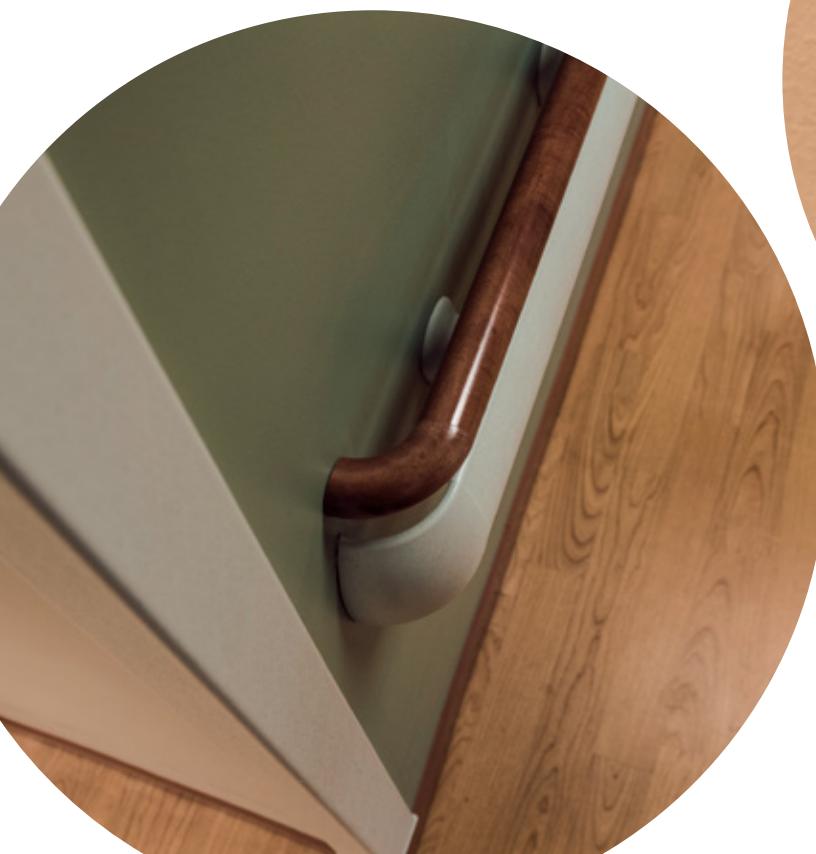

### The Facility

Since its founding in 1889, this private, not-for-profit facility has grown into a 335 bed, acute care center that is consistently recognized nationally for overall clinical excellence.

The hospital engages in ongoing renovation and refurbishing of the facility's interior, and Inpro has played an integral role in the work.

### Inpro® Products Used

- EZE-Swap® Panels and Shield® Cubicle Curtains
- 500 handrails, 1500 wall guards, 160 & 150 tape-on corner guards, Palladium® rigid sheet
- Seoul™ collection signage throughout, as well as digitally printed logo, magnetic, and photopolymer signs

obsessed with protecting buildings®
