the story

The Holiday Inn in Yellowstone, Montana, is more than just a place to rest your head. Located minutes from Yellowstone National Park's entrance, this hotel provides convenient and comfortable accommodations for visitors exploring the park's geysers, hot springs, and diverse wildlife. The Yellowstone location offers modern amenities and a welcoming atmosphere, ensuring tourists have a memorable stay in this iconic region.

the project

Interior Design Group: Kieffer Design Group

Installer: TK Elevator

Inpro® Products Used

An array of products were installed, including:

Elevator Interiors

[VIEW PRODUCTS](#)

- Hercules Cab Design
- Aspex® Printed Wall Protection
- Ricochet® Flexible Wall Protection
 - Tempo Tide, Deep Sea
- 2" Flat/Turned in End Handrails

the results

Inpro significantly enhanced the guest experience at the Holiday Inn in Yellowstone by undertaking a dazzling transformation of the elevator interiors. This transformation magnificently showcases Aspex® Printed Wall Protection, featuring breathtaking Yellowstone scenery that adds both aesthetic appeal and functional protection to the walls. It also highlights durable Ricochet® flexible wall protection, known for its resilience and appealing look. These upgrades resulted in elevator cabs showcasing the hotel's dedication to excellence and guest satisfaction.

obsessed with protecting buildings®

How they look. How they function.
And how they protect the health and safety
of the people who use them every day.

That's why we make hundreds of architectural
products all under one roof and work tirelessly to
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't
have it any other way.
